the true story of raymond loewy whose designs are still celebrated for their unerring ability to advance american consumer taste born in paris in 1893 and trained as an engineer raymond loewy revolutionized twentieth century american industrial design combining salesmanship and media savvy he created bright smooth and colorful logos for major corporations that included greyhound exxon and nabisco his designs for studebaker automobiles sears coldspot refrigerators lucky strike cigarette packs and pennsylvania railroad locomotives are iconic beyond his timeless designs loewy carefully built an international reputation through the assiduous courting of journalists and tastemakers to become the face of both a new profession and a consumer driven vision of the american dream in streamliner john wall traces the evolution of an industry through the lens of loewy s eclectic life distinctive work and invented persona how he asks did loewy build a business while transforming himself into a national brand a half century before branding became relevant placing loewy in context with the emerging consumer culture of the latter half of the twentieth century wall explores how his approach to business complemented or differed from that of his well known contemporaries including industrial designers henry dreyfuss walter teague and norman bel geddes wall also reveals how loewy tailored his lifestyle to cement the image of designer in the public imagination and why the self promotion that drove loewy to the top of his profession began to work against him at the end of his career streamliner is an important and engaging work on one of the longest lived careers in industrial design

vol for 1955 includes an issue with title product design handbook issue 1956 product design digest issue 1957 design digest issue

since the industrial revolution when everything ran by clockwork people have understood how important it is to live in the moment but over time our world has grown increasingly busy and we ve lost our ability to truly savour each unique experience and the simple pleasures the world has to offer cultural commentator and critic stephen bayley seeks to explain what real value is it s about taking the time and making the effort to appreciate things of understanding the permanent charm of modest daily rituals performed with care and feeling of caring about appearances and meaning of being bold in matters of taste of fully understanding the source of lasting pleasure of making every encounter with an object or person meaningful value is an elegiac account of what s recently been lost in the digital apocalypse but also an enthusiastic

anticipation of what we can regain in a post viral more analogue and more thoughtful world

discusses the evolution of industrial design and the invention of a variety of household appliances

among the literally thousands of well known forms shapes and designs that raymond loewy created and which became iconic images of america are the studebaker the us post office logo streamlined trains and ocean liners the shell and hoover logos and the greyhound bus throughout his extraordinary career loewy worked for international companies including shell bp nestl  heinz and cadbury creating some of the world s most recognisable logos and emblems in industrial design the pioneering half century of loewy s career is presented with full colour illustrations and loewy s own personal account of a life in design
