the book of enoch the man from the bible who was taken alive to heaven and saw what human eye has not seen

the book of enoch also 1 enoch is an ancient jewish religious work traditionally ascribed to enoch the great grandfather of noah it is not part of the biblical canon as used by jews apart from beta israel it is regarded as canonical by the ethiopian orthodox tewahedo church and eritrean orthodox tewahedo church but no other christian group

the book of enoch is one of the strangest of the books left out of the biblical canon filled with goetic angels and demons and visions of inconceivable lands beyond the sky the book of enoch the prophet translated by the late richard laurence modern research sees in the epistle of jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an apostle let us diligently search the hebrew scriptures for this important forecast of the second advent of the messiah in vain we turn over the pages of the sacred canon not even in the apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic 1 interpretation of genesis v 24 were the prophecies of enoch therefore accepted as a divine revelation on that momentous day when jesus explained the scriptures after his resurrection to jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the bible reverting to the second century of christianity we find irenæus and clement of alexandria citing the book of enoch without questioning its sacred character thus irenæus assigning to the book of enoch an authenticity analogous to that of mosaic literature affirms that enoch although a man filled the office of god s messenger to the angels tertullian who flourished at

the close of the first and at the beginning of the second century whilst admitting that the scripture of enoch is not received by some because it is not included in the hebrew canon speaks of the author as the most ancient prophet enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by noah in the ark or miraculously reproduced by him through the inspiration of the holy spirit tertullian adds but as enoch has spoken in the same scripture of the lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us it may now seem to have been disavowed by the jews like all other scripture which speaks of christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself these views tertullian confirms by appealing to the testimony of the apostle jude the book of enoch was therefore as sacred as the psalms or isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of new testament scripture origen a d 254 in quoting hebrew literature assigns to the book of enoch the same authority as to the psalms in polemical discussion with celsus he affirms that the work of the antediluvian patriarch was not accepted in the churches as divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that enoch was one of the greatest of the prophets thus in his treatise on the angels we read we are not to suppose that a special office has been assigned by mere accident to a particular angel as to raphael the work of curing and healing to gabriel the direction of wars to michael the duty of hearing the prayers and supplications of men 2 from what source but assumed revelation could origen obtain and publish these circumstantial details of ministerial administration in heaven

enoch walked with god then he was no more for god took him the book of enoch is a pseudoepigraphical work a work that claims to be by a biblical character the book of enoch was not included in either the hebrew or most christian biblical canons but could have been considered a sacred text by the sectarians the original aramaic version was lost until the dead sea fragments were discovered this is a compilation of several separate works most of which are apocalyptic its oldest portion is the apocalypse of weeks written shortly before the maccabean uprising of 167 bc against the seleucids the ethiopic book of enoch is called a pseudepigraphical work meaning one that is not included in any canon of scripture outside of even the apocrypha the only complete extant version is an ethiopic translation of a previous greek translation made in palestine from the original hebrew or aramaic the book of the watcher tells the story of fallen angels from gen 6 1 4 that took wives created the nephilim and taught advanced technology to mankind ultimately leading to the great flood and their destruction the parables of similitude is an apocalyptic book about the son of man and the ancient of days these ancient prophecies of jesus are directly in line with what we find in the bible and are remarkably similar to the book of revelation the book of the courses of the heavenly luminaries is a detailed account of the stars and their functions the dream visions is the prophecy of all human history from the creation of mankind all the way to the end times and the final judgement the past present and future are foretold in grand detail the prophecy of weeks is similar to the prophecy structure in the book of daniel the noah fragments is the untold story of noah from the bible we learn more about his mission to save all humanity and the struggles of his father lamech and his grandfather methuselah finally included herein are all known fragments of the book of giants each work is independent but all the works are bound by a common theme the punishment of the wicked and the blessedness of the righteous

the book of enoch is one of the most notable extant apocryphal works of the bible estimated to have been written around 300 bc this ancient jewish religious work is ascribed by tradition to enoch the great grandfather of noah consisting of five distinct sections the book begins with the fall of the watchers angels who fathered the nephilim the offspring of sons of god and the daughters of men the book follows enoch as he travels through heaven and expands more thoroughly than the book of genesis on the early kingdom of israel and the events leading up to the great flood of noah many themes common to other biblical apocalyptic stories can be found here despair by the godly for their world a world where goodness did not matter and where evil triumphed and prospered with evil everywhere around the apocalypticists saw no hope for the world as it was it must be destroyed if the good were ever to triumph this edition is printed on premium acid free paper and follows the translation of r h charles

as the book of enoch is in some respects the most notable extant apocalyptic work outside the canonical scriptures it will not be inappropriate to offer a few remarks here on the apocalyptic literature generally in writing about the books which belong to this literature prof burkitt says very pointedly that they are the most characteristic survival of what i will venture to call with all its narrowness and its incoherence the heroic age of jewish history the age when the nation attempted to realize in action the part of the peculiar people of god it ended in catastrophe but the nation left two successors the christian church and the rabbinical schools each of which carried on some of the old national aims and of the two it was the christian church that was most faithful to the ideas enshrined in the apocalypses and it did consider itself not without some reason the fulfilment of those ideas what is wanted therefore in studying the apocalypses is above all sympathy with the ideas that underlie them and especially with the belief in the new age and those who believe that in christianity a new era really did dawn for us ought i think to have that sympathy we study the apocalypses to learn how our spiritual ancestors hoped again that god would make all right in the end and that we their children are here to day studying them is an indication

in recent decades the ancient apocalyptic work 1 enoch has been intensively explored for its historical meaning and its contribution to israelite and christ movement thought and identity yet its theological meaning what it can contribute to understanding of the divine human interface today has been neglected by scholarship this is surprising given that 1 enoch is scripture for the ethiopian and eritrean orthodox churches and has been a major influence on christian theology experience and art in ethiopia since the fifth and sixth centuries ce this book inaugurates a project in western scholarship to bring 1 enoch into theological discussion it contains a number of essays delivered at meetings in addis ababa ethiopia and cheltenham england involving scholars from ethiopia germany the uk and the usa the papers cover topics such as the appropriate theological response to a text that is scripture for only some christians the role of 1 enoch in ethiopian ecclesial and theological tradition the theological potential of 1 enoch in areas such as the environment politics social justice christology persecution the problem of evil and how 1 enoch stimulates artistic expression today the blessing of enoch aims to launch a wider discussion on 1 enoch and contemporary theology

this is a new release of the original 1882 edition

excerpt from the book of enoch translated from the ethiopic with introduction and notes scarcely any department of theological science has in the last few decades received such marked attention and cultivation as that branch for which the germans have adopted the felicitous appellation neutestamentliche zeitgeschichte the study of the age of christ in its political social and religious aspects observant readers will not have failed to detect that the tendency of modern evangelical theology is to transfer the centre of interest from the work of

christ to the person of christ hand in hand and in close connection with this general tendency certain auxiliary branches have assumed an importance hitherto not attributed to them when the person of christ forms the cynosure of all eyes his surroundings proportionally grow in interest and importance and hence it is not surprising that so much acumen and learning have been employed in the truly fascinating study of the palestine of christ s day in all its relations the central sun casts its rays of resplendent light on every day objects and these become prominent in proportion as they reflect this light about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

one might ask why there is so much interest in this obscure little apocryphal book written under the assumed name enoch if we look at the book of luke where jesus is describing for his disciples the time of his return in luke 17 26 just as it was in the days of noah so will it be in the days of the son of man they were eating and drinking and marrying and being given in marriage until the day when noah entered the ark and the flood came and destroyed them all we may want to know in greater detail just exactly what it was like during the time of noah reading the first chapter of the book of enoch we find enoch a righteous man whose eyes were opened by god saw the vision of the holy one in the heavens which the angels showed me and from them i heard everything and from them i understood as i saw but not for this generation but for a remote one which is for to come concerning the elect i said and took up my parable concerning them the holy great one will come forth from his dwelling and the eternal god will tread upon the earth even on mount sinai and appear from his camp and appear in the strength of his might from the heaven of heavens so not only does luke and mathew for that matter tell us that jesus return will come at time like the time of noah and the flood but the book of enoch begins by telling us it is written not for those of enoch s generation but for a generation in the distant future when the holy great one will tread upon the earth and he will appear in the strength of his might from the heaven of heavens from the reference in the letter of jude 1 15 quoting enoch regarding the return of jesus to the passages in mathew and luke regarding the time of christ s return to be like the time of noah and considering enoch s claim to be written for the elect of the generation alive during the time of the holy great one s coming to earth i believe the book of enoch deserves a serious read

the book of enoch is an ancient jewish religious work ascribed by tradition to enoch the great grandfather of noah although modern scholars estimate the older sections mainly in the book of the watchers to date from about 300 bc and the latest part book of parables probably to the first century bc it is not part of the biblical canon as used by jews apart from beta israel most christian denominations and traditions may accept the books of enoch as having some historical or theological interest but they generally regard the books of enoch as non canonical or non inspired it is regarded as canonical by the ethiopian orthodox tewahedo church and eritrean orthodox tewahedo church but not by any other christian groups it is wholly extant only in the ge ez language with aramaic fragments from the dead sea scrolls and a few greek and latin fragments for this and other reasons the traditional ethiopian belief is that the original language of the work was ge ez whereas non ethiopian scholars tend to assert that it was first written in either aramaic or hebrew ephraim isaac suggests that the book of enoch like the book of daniel was composed partially in aramaic and partially in hebrew no hebrew version is known to have survived it is asserted in the book itself that its author was enoch before the

biblical flood the authors of the new testament were familiar with the content of the story and influenced by it a short section of 1 enoch 1 en 1 9 or 1 en 2 1 depending on the translation is quoted in the new testament epistle of jude jude 1 14 15 and is attributed there to enoch the seventh from adam 1 en 60 8 the text was also utilised by the community that originally collected the dead sea scrolls
