the most important theological work of the 20th century in a new edition now available in individual volumes

deification was not only a pagan concept but a metaphor for a deeply christian view of the purpose of human life this title brings together much recent research on the church fathers from the second to the seventh centuries offering an analysis of their spiritual teaching and setting it within the context of the times

this book is the next volume in leveraging s engaging doctrine series the prior volume of the series examined the doctrine of creation the present volume examines the purpose of creation the marriage of god and humans god created the cosmos for the purpose of the marriage of god and his people and through his people the marriage of god and the entire creation given that the

central meaning or prime analogate of marriage is the marriage of god and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme after a first chapter defending and explaining the biblical witness to the marriage of god and his people the book explores various themes marriage as an image of god original sin as the fall of the primordial marriage the cross of jesus christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of god along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage

centered on the words of scripture and especially the teaching of jesus himself this volume unpacks the doctrine of scripture as taught by the church through the ages helping to strengthen readers confidence in god s word

in this most up to date study aaron yom provides a comprehensive analysis of the doctrine of god particularly from a pneumatological perspective he focuses on retrieving the order of god that has been consistently misunderstood and mistreated by modern scholars the author carefully examines scholarly works of modern thinkers such as karl barth thomas torrance karl rahner david coffey jürgen moltmann clark pinnock and stanley grenz as well as ancient masters such as augustine and aquinas with a critical analysis he highlights the strengths and weaknesses of their work to lay a foundational platform for understanding god s order in the twenty first century theological context yom proposes a holistic approach that does not marginalize the logic of the trinity that begins with god s order of ontology rather than god s order of economy though the former is read from the latter he maintains the intricate balance of the immanent trinity and the economic trinity with his newfound principle of identity and duality yom offers several new theological paradigms for those who are interested in the topic of systematic theology
